

Perimeter

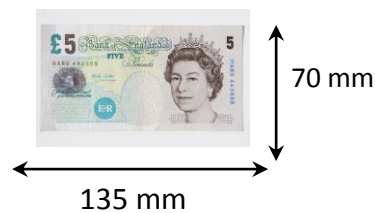

1. Each diagram shows the dimensions of a floor. You want to put skirting boards in the room. Find the perimeter of each room to work out the length of skirting board you need.

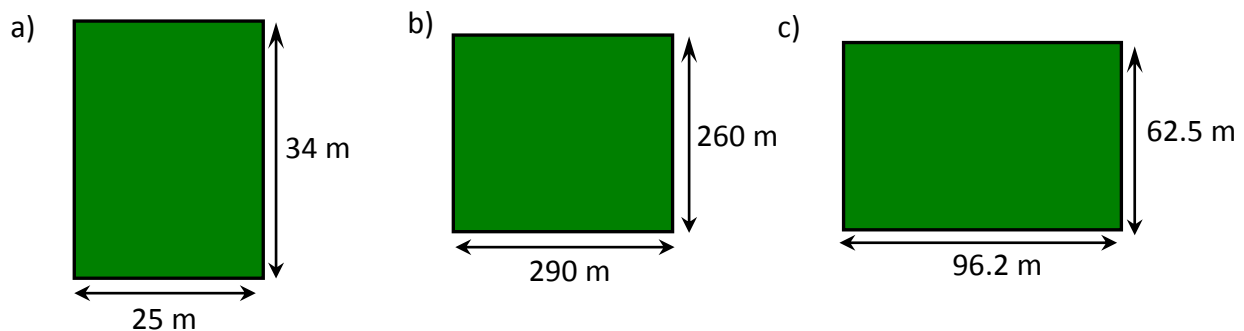

2. You want to put a gold ribbon around your towels and facecloth. Find the perimeter of each towel and the facecloth to work out the length of ribbon you need.

- 3 Find the perimeter of this £5 note.

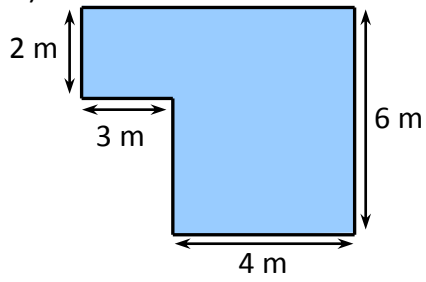

4. The farmer wants to put new fences round his fields as the old ones are falling down. Work out the perimeter of each field so that you can tell him how much fencing he needs to buy.

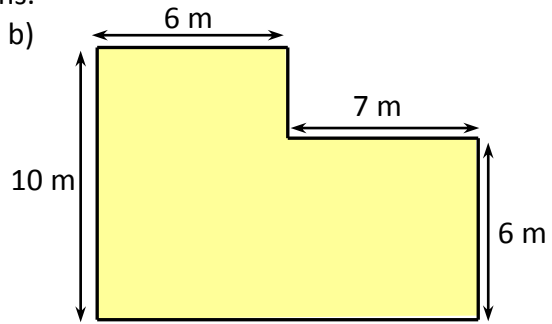

5. Find the perimeter of each of these rooms.
